

Lancaster, SC - Regional Water Transmission Riverside Road Project

The Lancaster County Water and Sewer District (LCWSD) is planning the construction of the Regional Water Transmission Riverside Road Project. The project includes the installation of approximately 35,000 linear feet of 24-inch diameter potable water Line. The water line will begin at DHEC Road and extend to Roselyn Avenue. To meet the mandatory construction deadline for the project, LCWSD will purchase the ductile iron pipe materials for the project in advance of construction.
